CARCEB-1 and CAUTERY-1

REF: EGM-20264, 12 November 1954

Kindly refer to paragraph 6 of EGS-A-17760, dated 12 October 1954, CARCEB - Field Project Outline, which states that the three CARCEBs are truly unwitting of their relation to KHBARK. They are not contacted by their Case Officer or any member of EGB. In view of this, a security implication due to CARCEB-1 naming CAUTERY-1 as a character reference does not appear to exist.
